

# STIMULATING BRAIN FUNCTION

*Optimizing Brain Performance Using Noninvasive Brain Stimulation*

**Wednesday, 5 June 2013, 8:30-13:00**

*Casa Macaya in Barcelona, Spain*

This one-day conference, free and open to the public, will explore exciting new areas of research in brain stimulation and cognitive enhancement. Speakers will include:

**Alvaro Pascual-Leone, MD, PhD**

*Department of Neurology  
Harvard Medical School*

**Roi Cohen Kadosh, PhD**

*Department of Experimental Psychology  
University of Oxford*

**Michael Nitsche, PhD**

*Department of Clinical Neurophysiology  
Göttingen University Medical School*

**Vincent Walsh, PhD**

*Institute of Cognitive Neuroscience  
University College London*

**Adam Gazzaley, MD, PhD**

*Neuroscience Imaging Center  
University of California, San Francisco*

Advanced registration required. For more information, please visit: **StimulatingBrain.com**
